Geisha Card

Description:

1. Draw with the template the pagoda on old red carton and cut it out.
2. Punch holes left and right and embroider these according to the template pattern.
3. Make holes at the top and attach eyelets in these.
4. Cut a piece of gold carton of 3.3 x 2.7" and attach this behind the pagoda.
5. Make a double black card of 5.3 x 5.3".
6. Attach the pagoda to the card using 3D kit, raising it slightly.
7. Cut out a Geisha and make this 3D. Then attach this to the gold carton.
8. Emboss the branch and fan on white carton.
9. Cut both out and glue them with 3D kit to the card.
